

Bedford Together

Heartfelt thanks to those members of the community who were able to join us at the meeting on November 12th to discuss the revised proposal for the new firehouse/emergency services department. We appreciated the chance to share some of the collaborative and thoughtful planning that has been underway since the Spring.

At the meeting, we were delighted to share some details about the revised project, including:

	APRIL 2019	NOVEMBER 2019	DIFFERENCE	% CHANGE
Total Project Cost	\$21,225,000	\$15,717,000	(\$5,508,000)	-26.0%
Building Cost	\$14,900,000	\$10,600,000	(\$4,300,000)	-28.9%
Square Footage	24,678 SF	20,189 SF	(4,489 SF)	-18.2%
Site Footprint	13,610 SF	12,637 SF	(973 SF)	-7.1%
Height	48 FT	39 FT	(9 FT)	-18.8%
Bond Amount	\$17,500,000	\$14,750,000	(\$2,750,000)	-15.7%

We will post all the information we presented last night, as well as some additional background, at www.bedfordvillagefiredistrict.com (New Firehouse tab) for your review and consideration.

Shortly, we will be sending out a calendar of upcoming information sessions intended to provide additional opportunities for the community to learn about the project and have any questions answered.

All of us at the Bedford Village Fire District are very grateful to the community for the interest in this important municipal project – and for all the thoughtful feedback that has helped make this revised proposal the most sustainable, efficient, and fiscally responsible plan for the community as a whole.
