

## New Firehouse Update February 2023:

February 2, 2023 - We're moving in! After 29 years of planning and building, we will be moving into the new headquarters at 550 Old Post Road over the next 6 weeks.

We will continue to issue updates as we get the station operating. Once we're in, we will be so pleased to invite the community in to see the station! Multiple opportunities will be planned so that all who are interested may attend.

The Bedford Fire Department and Bedford Village Fire District celebrated 100 years of service as of January 8, 2023. To move into the new headquarters and celebrate our Centennial in the same year is a unique and touching experience. Many thanks to our community for your support as we strive to serve everybody's emergency needs now and for the next century.

Sincerely,

The Commissioners of the Bedford Village Fire District

Keith Branche, Deputy Chair
