

Bedford Together

October 7, 2019

Dear Neighbors,

As announced last week, the Bedford Village Fire District decided to postpone our previously scheduled meetings on October 2nd (*revised proposal & budget review*) and October 7th (*Board of Commissioners bond authorization resolution*) out of respect for the community's increased interest and involvement in the BCSD Long-Range Facilities Planning process and to further integrate feedback received at, and since, our September 24th meeting.

We are actively working towards rescheduling our meetings for an upcoming date/time that enables the community to plan for and participate in discussions around the revised firehouse proposal without significant distraction or delay. We look forward to sharing the updated schedule shortly and thank you for your patience.

In the meantime, please visit our website to make sure you have joined our email list (www.bedfordvillagefiredistrict.com) to receive all the most current news.

Many Thanks,

The Board of Fire Commissioners
Bedford Village Fire District
